TOMAS SILVETTI

INFORMATION SYSTEMS ENGINEER STUDENT

I am a student involved in the area of data science, I perform very well in programming and the networking environment. Any work experience where I can learn new technological skills and help grow my interest in the sector is all I'm looking for.

EDUCATION

Universidad Tecnologica Nacional

ING. Information Systems

Advanced student

Colegio Fausta Angel Maria Boisdron

Science Bachelor 2021

LANGUAGES

English

- Oral Level Advanced
- Writing Level Advanced

Spanish

- Oral Level Native
- Writing Level Native

EXPERIENCE - JOBS

Outlier - AI

Reviewer: 6 months

My job was to train an AI focusing on detail and outperforming today's SOTA (State of the Art) models.

We focused on AI tools, LLM outputs, and quality prompts and responses.

Online Courses

Self-Taught Studies
